

Sustainability Declaration

midocean's Management is aware of its responsibility to further develop not only a socially responsible business, but also a sustainable one, with care for the environment.

We strive to achieve sustainable development in every aspect, and to achieve economic growth whilst minimising our impact on the environment and our natural resources.

We focus strongly on expanding the range of sustainable products. Therefore, we assembled 'Sustainable Choice' collection, a growing range of sustainable & conscious gifts made of natural, renewable, recyclable or recycled materials.

We want our customers to recognize our sustainable products and understand why the item is sustainable, this will then allow an conscious choice when selecting a product from our collection.
